

Urban Agenda Platform

The global platform for sharing progress, action and knowledge on the implementation of the New Urban Agenda to achieve sustainable urban development.

ECOCASA SHF

Region	Latin America and the Caribbean
Award Scheme	Scroll of Honor Practices
Sustainable Development Goals	Goal 11 - Make cities and human settlements inclusive, safe, resilient and sustainable

Summary

ECOCASA SHF is an innovative programme with a significant environmental, social and economic impact bringing together finance, eco-housing and development. The programme has also mitigated over 1.9 million tons of CO₂ in more than 200 projects through financing developers who have accessed preferential interest rates and free technical assistance to sustainable eco homes for the most vulnerable.
